- Registration
- About Organizers and Venue
- Important Dates

Venue:

***School of Biotechnology (KSBT), Campus-11, KIIT-Kalinga Institute of
Industrial Technology, Bhubaneswar-751024, Odisha***

LETTER FROM SECRETARY, INSCR

Dear Participants and Colleagues,

It is indeed my pleasure to inform you that after the magnificent success of IIC-2017, we are organizing INSCR conference 2018 at KIIT-Kalinga Institute of Industrial Technology, Bhubaneswar-751024, Odisha, from 28th to 30th September, 2018. This conference is being organized under the aegis of “Indian Network for Soil Contamination Research” (INSCR). In the capacity of INSCR Secretary, I am delighted to invite you to this conference on “Trends in Biotechnology for Innovations in Health & Environment” and I am sure that your participation will make it a grand success.

In the wake of increasing environmental contamination in Indian subcontinent, INSCR was established in 1999 as a society with the aim of promoting research partnership & exchange of scientific knowledge in the area of environmental pollution and contamination abatement. This network brought together several key researchers working on different aspects of contamination in soil environment in India.

It is a proud moment for us that both INSCR and KIIT-Kalinga Institute of Industrial Technology are coming together to organize this forthcoming event. The conference will also provide a platform to the leading scientists from India and abroad to forge ties with research partners from organizations involved in research in areas The delegates will also deliberate on exploring the possible avenues to foster technology transfer to the industry.

On behalf of INSCR, I invite you all to the conference and request you to make the event a grand success.

Prof. Rup Lal,
Secretary, INSCR
University of Delhi,
Delhi-110007

LETTER FROM ORGANISING SECRETARY

Dear Members,

Greetings to all!

I sincerely thank all members of INSCR for electing me as an Organizing Secretary for the upcoming INSCR International Conference 2018. I assure every one of you that I along with organizing coordinators are devoted to serve INSCR and hope to come up to your expectations. The website with all the information for the same will be on air by end of March 2018. I am enthralled to inform you about the magnificent success of INSCR 2017 at University of Delhi, India. Further, INSCR along with KIIT website will be updated with the details for user friendly option where members can create their user ID and create their profile for INSCR membership. I acknowledge the praiseworthy activities put forth by INSCR office bearers and members of central council. I look forward to request your support for further strengthening the INSCR.

Organizing Secretary

Vishakha Raina, Ph.D.

Associate Professor and Associate Dean (Academics)

School of Biotechnology (KSBT), Campus-11

KIIT-Kalinga Institute of Industrial Technology

Bhubaneswar-751024, Odisha

Tel. +91 674 2725732 (O)

+91 9937057559 (M)

E-mail ID: vraina@kiitbiotech.ac.in

Thematic Sessions

- Environmental Microbiology
- Microbial Ecology
- Eukaryotic Microbes
- Food Microbiology
- Agriculture microbiology
- Infection Biology
- Meta-omics
- Microbial Cell Biology
- Evolutionary Biology
- Microbiomes
- Secondary Metabolomics
- Systems Biology

Abstract Topics

Topic	Description
Biotechnology / Systems Biology	Applied research on prokaryotes & eukaryotes Industrial microbiology Systems biology Genetic and molecular engineering
Environmental Microbiology/Microbial Ecology	Ecophysiology Ecogenomics Meta-omic studies, Microbe interactions Aquatic and soil ecosystems Extreme environments Agriculture microbiology Bioremediation Biogas Microbiology
Food Microbiology	From food production and biotechnology to spoilage and food borne pathogens and food safety
Pathogenicity/ Biochemistry / Molecular Microbiology	Medical, veterinary, plant and insect pathogens Including genetics, molecular biology, cell biology

ORGANIZING COMMITTEE

Dr. Vishakha Raina, Associate Professor, School of Biotechnology, KIIT

Prof. Mrutyunjay Suar, Director & Head, School of Biotechnology, KIIT

Prof. T.K. Adhya, Professor, School of Biotechnology, KIIT

Dr. Gopal K. Chaudhury, Assistant Professor, School of Biotechnology, KIIT

Dr. Lopamudra Ray, Assistant Professor, School of Biotechnology, KIIT

Dr. Sasmita Mohanty, Associate Professor, School of Biotechnology, KIIT

Dr. Bhawana Gupta, Assistant Professor, School of Biotechnology, KIIT

Dr. Srinivas Patnaik, Associate Professor, School of Biotechnology, KIIT

REGISTRATION

Category	Indian (in INR)		NRIs (in USD)	Industry (in INR)
	Student	Faculty	All	Industry
Early Bird Registration (Till 31st July 2018)	2000	3000	100	10000
Late or On Spot Registration (After 31st July 2018)	3000	4000	150	10000
Accompanying Person	2000		150	NA

Registration fee for the participants includes:

- One copy of final program and abstract book
- Admission to scientific program and workshops
- Forenoon/afternoon Tea/Coffee
- Buffet Lunch and Dinner
- Cultural program organized by organizers
- Administrative support

Registration fee for accompanying person includes:

- All meals during the conference.
- Cultural program organized by organizers.
- Administrative support

THE ORGANISERS

- ❖ **The Indian Network for Soil Contamination Research** (<http://www.inscr.in>) Established in early 1999, in the wake of organising an international conference, on the subject of environmental pollution, conference was organised at Hotel Radison in New Delhi, during December 1999. The network brought together several key researchers working on different aspects of contamination in soil environment spread across various academy, agricultural and industrial research institutions. The December 1999 conference was a huge success attracting as many as 200 renowned scientists from various countries, i.e., Australia, New Zealand, Japan, China, Sweden, UK, U.S.A and elsewhere. Indian Network for Soil Contamination Research-INSCR is a registered society under the societies registration act XXI of 1860 with the registration no. 34693 dated 22nd April, 1999. You can join us and be next supporter to save environment!
- ❖ **KIIT-Kalinga Institute of Industrial Technology:** (www.kiit.ac.in) In its journey since its inception in 1997 from a technical Institute to a Premier University, Kalinga Institute of Industrial Technology (KIIT) has come a long way within the shortest span of time. Spreading over 500 acres of prime land in 23 lush green sprawling campuses in a built-up area of 7.5 million square feet, KIIT harbors 28 constituent Schools offering more than 100 academic programmes with 25000 students pursuing doctoral degree, graduation and post-graduation studies in Engineering, Management, Rural management, MCA, Law, Biotechnology, Applied Microbiology, MBBS, MD, BDS, Nursing, Fashion Technology, Cinema & Mass Media Studies, Language and Sculpture. Kalinga Institute of Industrial Technology (KIIT) became the youngest in the country to be awarded this status (u/s 3 of UGC Act of 1956), in 2004. KIIT's excellence is proven beyond apprehension; it's granted 'A' Category status by the Ministry of HRD, Govt. of India, and accredited by NAAC of UGC in 'A Grade'. Its academic programmes are recognized by the respective Statutory Bodies of Govt. of India, and has received Tier 1 (Washington Accord) accreditation by NBA (AICTE) for engineering streams. Academicians and scholars from around the world, including Nobel Laureates, are regular visitors to the university. Besides, Ramon Magsaysay Awardees, Ambassadors, renowned legal and management personalities regularly deliver special lectures here and interact with the students. Hosted by KIIT, as many as 18000 scientists from all over the world attended the prestigious 99th Indian Science Congress making the event a grand success. Besides being a member of various prestigious world bodies, accreditation boards and associations like University Mobility Asia and the Pacific (UMAP), Association of Commonwealth Universities (ACU) and International Association of Universities (IAU), with more than 1800 academic and research staff, KIIT has established an academic partnership with more than 105 world class universities from across the globe.

INSCR International Conference 2018

Important Dates:

Early bird registration closes on: 31st July, 2018
